Registration link: <https://forms.gle/8E9EeRNbL68jTw648>

Fee : Free of charge for the site visit

*CPD certificate will be provided subject to full attendance with registration.

Introduction

1. The Crocodile Habitat - The new 'croco land' is a new crocodile habitat being set up at the Entry Plaza of Ocean Park.

It is a relatively small scale renovation work project, yet much thoughts have been placed on the design and setting up of a realistic dwelling place for crocodiles taking due consideration of the animals' living habit and specific characters.

Members may acquire knowledge of building and setting up special purpose facility buildings for application in future projects alike.

2. The Grand Aquarium - It is one of Asia's well known large scale aquariums.

The Grand Aquarium brings you and your family on a multisensory journey from the shore to the darkest depths of the ocean. You will have the exciting opportunity to explore the myriad forms of life that call the sea home, from a pool filled with sea cucumbers and starfish, to the spectacular Reef Tunnel, where you can view the profoundly beautiful ecosystem surrounding coral reefs. Expansive windows under the water like the 5.5m aquarium dome and an awe-inspiring 13m wide acrylic viewing panel takes you closer to an eye-opening collection of 5,000 fish from over 400 species!

Members may acquire a basic understanding of the operation and maintenance of this grand attraction during the visit.

Note for Registration of On-site Seminar: -

1. Closing Date for Registration: First registered first reserve.
Only available for **online registration**: <https://forms.gle/8E9EeRNbL68jTw648>
2. Confirmation with online link will be sent to successful applicant before the seminar.
3. The Site Visit is free of charge and 3 hours of CPD Certification will be provided subject to full attendance with registration.
4. Participants will receive an acknowledgement for the Site Visit enrolment by e-mail.
