CPD Seminar (2023)

Workshop for Becoming CIC Certified BIM Viewer

Date : 26 April 2023
Time : 7:00 p.m. to 9:00 p.m.
Venue : Online
Charge : Free of charge
Language : Cantonese
Speaker : Mr. MF Wong (BIM lecturer in CPE)

Highlight of the Seminar:

In 2020, the Development Bureau of the Government of the HKSAR (DEVB) and Construction Industry Council (CIC) conducted a holistic review and planning of BIM training for the construction industry in Hong Kong. It was estimated that the demand for BIM Viewer would be around 17,000 persons by 2025.

CIC developed a Teaching and Learning Kit for BIM Viewer's training to cope with the surged demand for BIM Viewers. BIM Viewer is a role of those who need to view and understand the BIM model for any tiers of construction partitioners of Senior Management, Project Manager, Clerk of Works, Site Supervisor, etc. BIM Viewers should possess foundation BIM knowledge, such as effectively viewing a BIM model using a PC, tablet, or mobile device like reading 2D drawings onsite.

A workshop is organized by The Hong Kong Institute of Clerks of Works (HKICW) and is delivered by (Hong Kong) Continuous Professional Education Centre (CPE). The workshop provides foundation BIM knowledge and hands-on BIM Viewer software training (BIM Viewer Software – Navisworks Freedom). Upon completing the BIM Viewer training, learners could participate in an online quiz to obtain a BIM Viewer Certificate.

Supporting Organizations 支持機構

Hong Kong Chapter

工程監督及建設監理學會 (香港)
The Institute of Clerks of Works
and Construction Inspectorate (Hong Kong)

Supporting Organization (Alphabetical order):

- Australian Institute of Building (HK)
- Autodesk Far East Ltd
- BIM Tech Asia Association
